PARSHURAM RATHOD

Associate Cloud Engineer |Frontend Developer| Soc Analyst

Bengaluru, Karnataka| Phone no. +91 9353893250 |email: parshuramrathod8861743828@gmail.com

LinkedIn: https://www.linkedin.com/in/parshuram-rathod/ | Github: https://github.com/Parshuram9353

PROFESSIONAL SUMMARY

Frontend Developer with foundational knowledge of Cloud Computing and SOC operations. Actively building real-world projects and seeking entry-level opportunities in Cloud and Cybersecurity roles.

TECHNICAL SKILLS

- HTML5,CSS3,JavaScript
- AWS Basics(EC2,S3,IAM,VPC)
- Networking, Operating System
- Data base management system
- Cybersecurity Basics(Threats, Attacks, Prevention)
- Github
- Vs code

Portfolio Website

Github: https://parshuram9353.github.io/my-portfolio/

Project : Chat Application

Developed a real-time style Chat Application using HTML, CSS, JavaScript for the frontend and PHP + MySQL for the backend. Implemented features like user registration/login, sending & receiving messages, and storing chat history securely in the database. Focused on a responsive UI and smooth user experience.

Github:https://github.com/Parshuram9353/chat-application

Project : Static Website Hosting on AWS S3

Deployed a static website on Amazon S3 by configuring bucket settings, enabling static website hosting, and managing public access policies for secure access. Uploaded website files (HTML, CSS, JavaScript) and tested successful hosting through the S3 endpoint. Learned practical cloud skills like storage management, permissions (IAM/bucket policy), and deployment workflow on AWS.

Project : SQL Injection Security Testing

Performed security assessment on a demo/static web application to identify SQL Injection vulnerabilities using ethical testing methods. Analyzed input validation and backend query handling, documented findings, and recommended fixes such as prepared statements, input sanitization, and WAF rules. Strengthened understanding of OWASP Top 10 and secure coding practices.

Education

- MCA (Master of Computer Application)(Expected 2027), Reva University
- BCA (Bachelor of Computer Application) , Ame's Degree College Raichur University
